Plastklosser for glassinnsetting. Produktliste

2026

Egeland Plast AS er en bedrift med over 40 års erfaring innen sprøytstøping. Vi kan tilby standardklosser i tillegg til spesialtilpassede plastklosser, klips og plastdetaljer. Bedriften har foruten sprøytstøping, også avdeling for produktutvikling, konstruksjon, problemløsning og formkonstruksjon / produksjon. Vi leverer små og store serier. Er det ting i listen du lurer på eller plastdetaljer du ønsker å få produsert, ta kontakt.

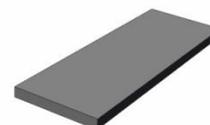

-Alt fra ide til ferdig produkt
